

V.

Ping pong
companions
ding, dang, dong

delicious drama
burlesque of eschewed beeees
chitchat
makes for brief
long scream
expands ego
and
diminishes the heart

front of silence
of contemplation
his, her, his, her
adored elementals

envelope
the signals of beigness

spreading over
towards the adjacent

serenely

as the quietness
flickers
like an iridescent
candle flame

lighting the ethereal energies
forever enclosed
in our spirit.
